EIICHIRO ODA

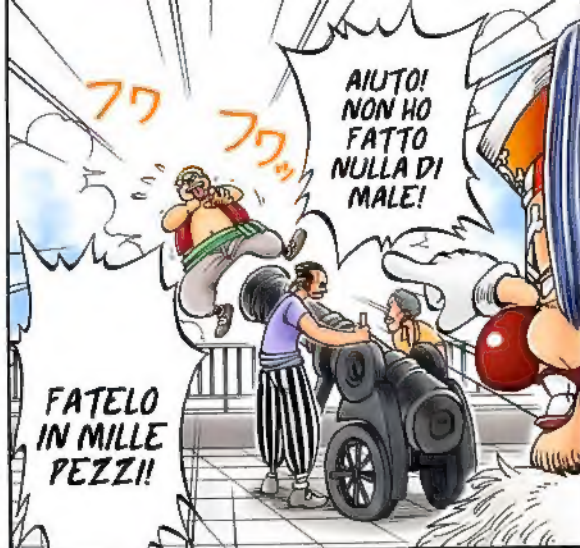

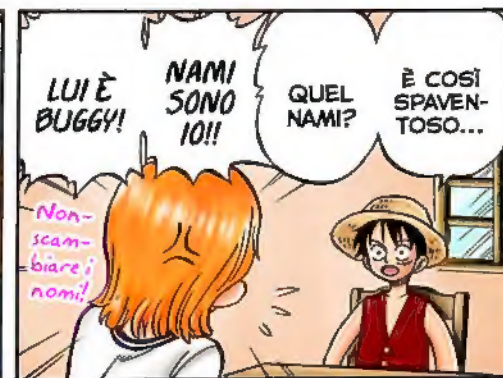

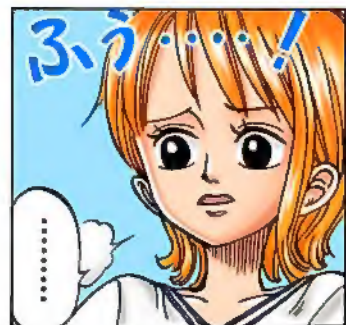

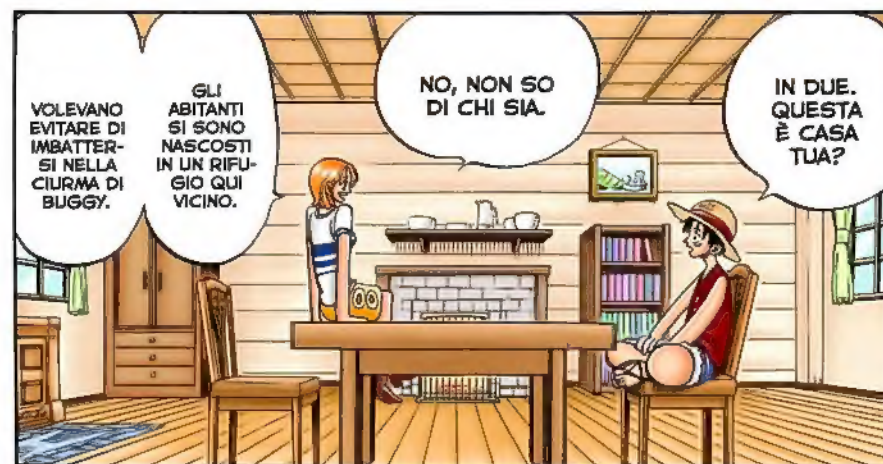

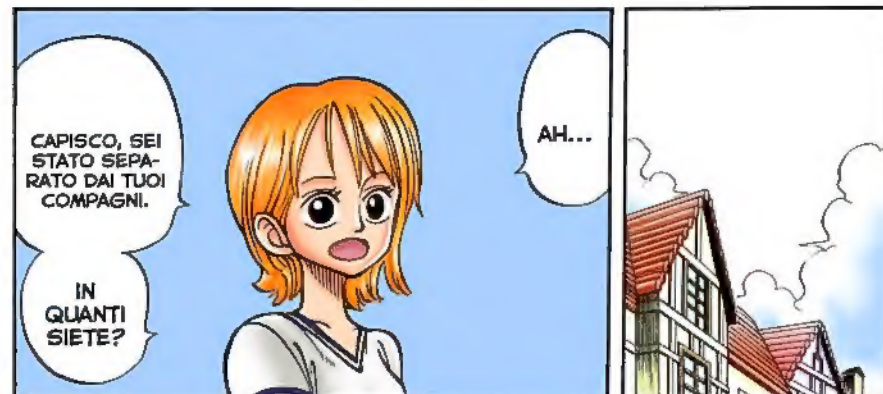

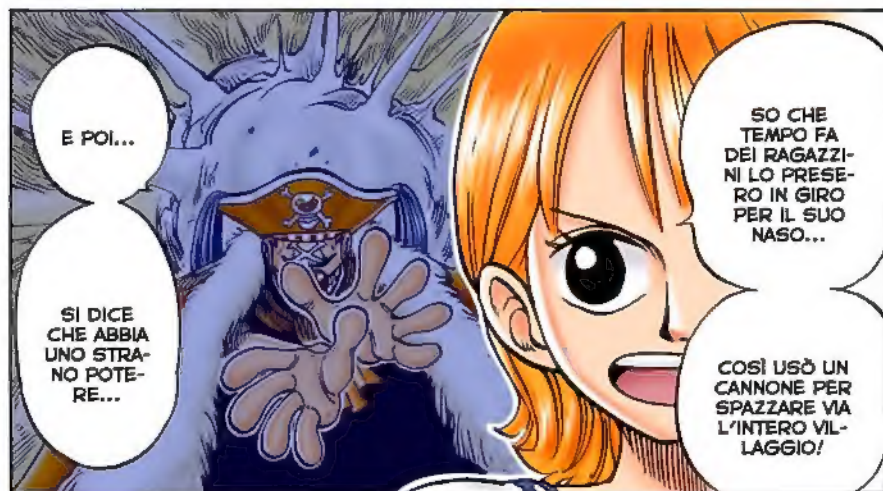

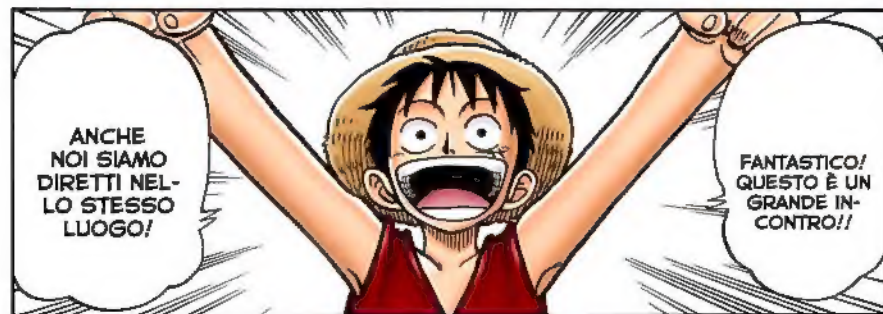

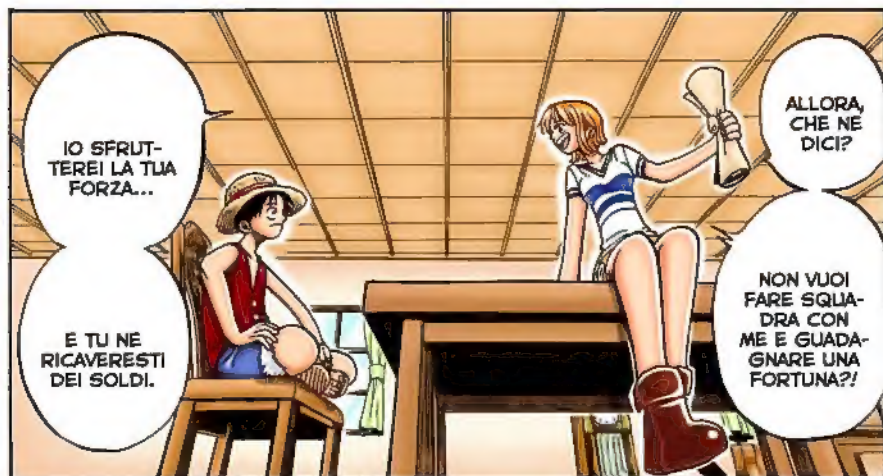

NDT: FRAINTESO E GROSSO NASO ROSSO SUONANO MOLTO SIMILI IN GIAPPONESE

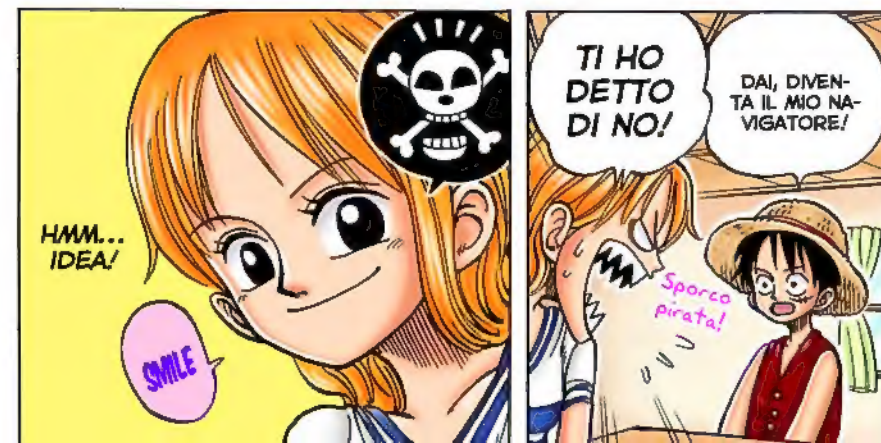

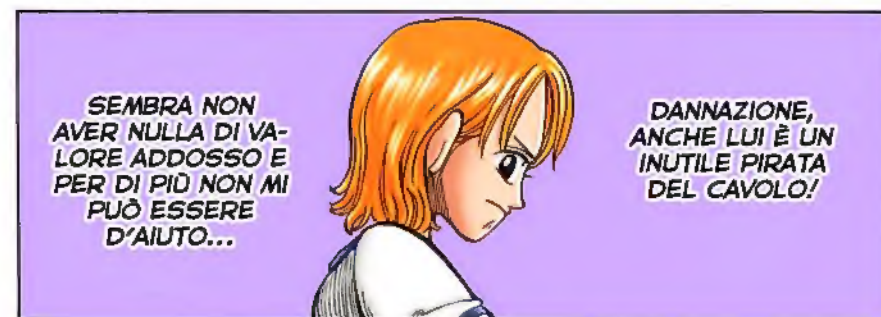

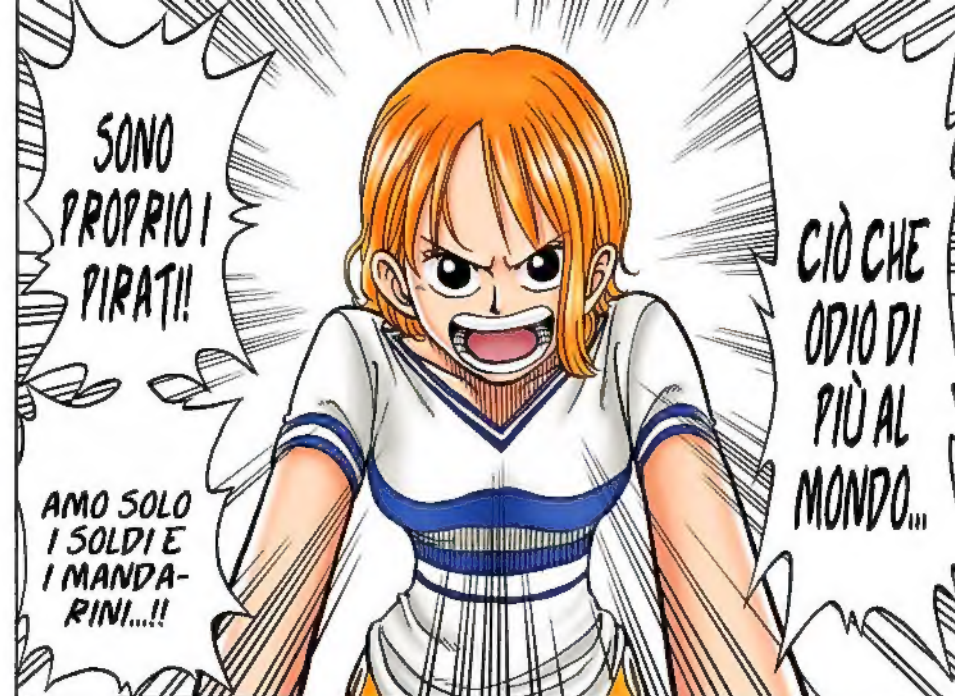

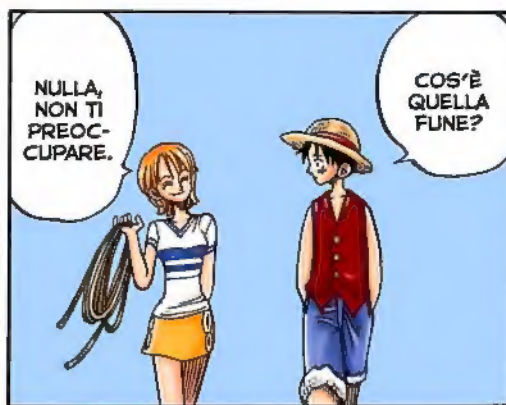

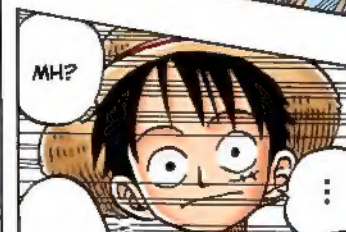

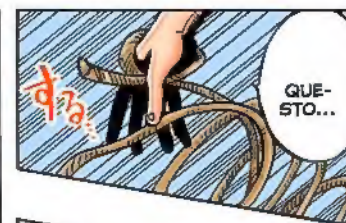

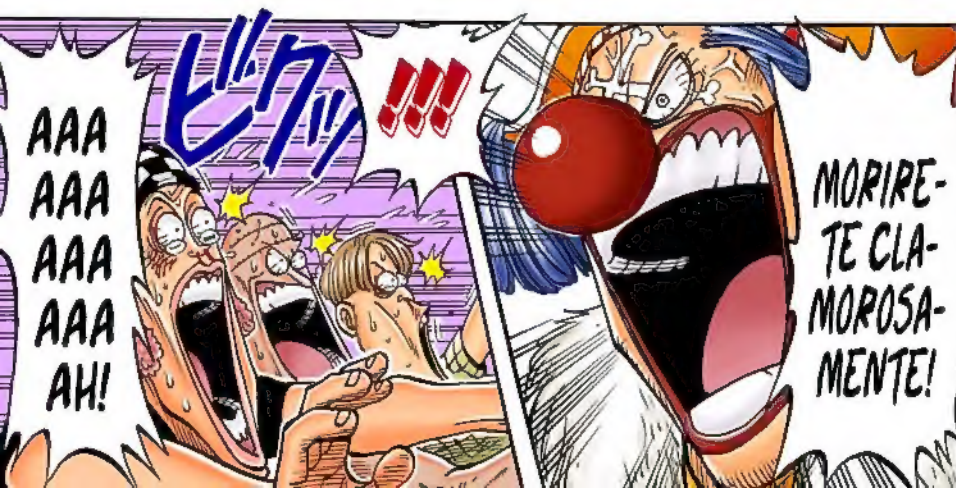

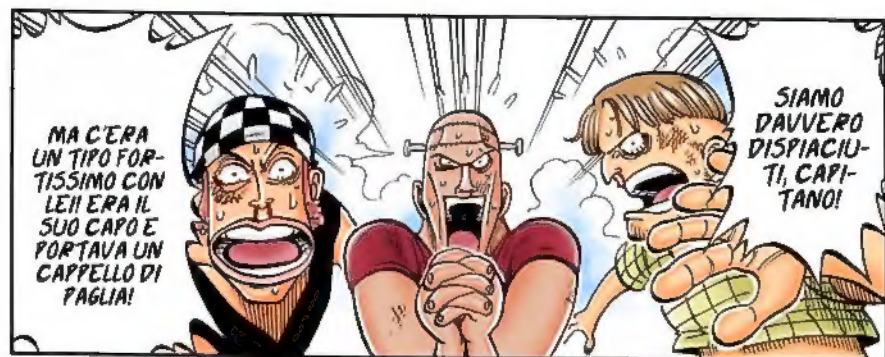

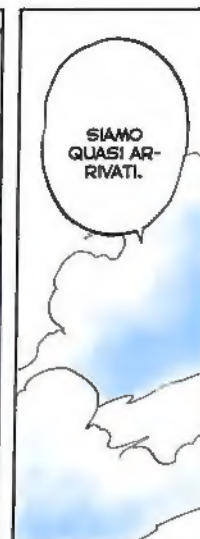

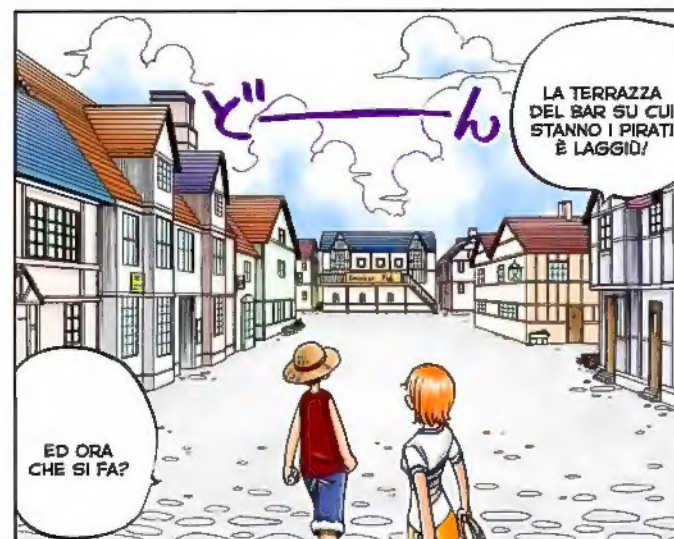

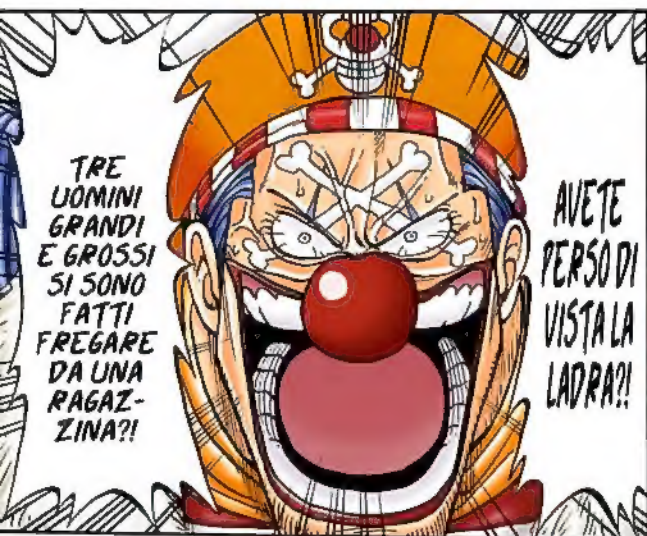

NDT: PURTROPPO IN ITALIANO I GIOCHI DI PAROLE GIAPPONESI SONO MOLTO DIFFICILI DA RIADATTARE, PERCHÉ SICURAMENTE NE ANDREBBE PERSO IL SENSO ORIGINALE PER RENDERE L'IDEA. FATTO STA CHE LE PAROLE CON CUI BUGGY SI CONFONDE, IN GIAPPONESE RICHIAMANO SEMPRE QUALCOSA CHE POSSA ESSERE LEGATA AL SUO NASO DA CLOWN.

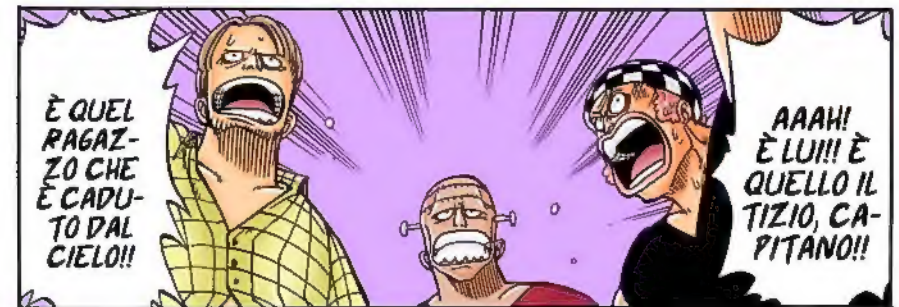

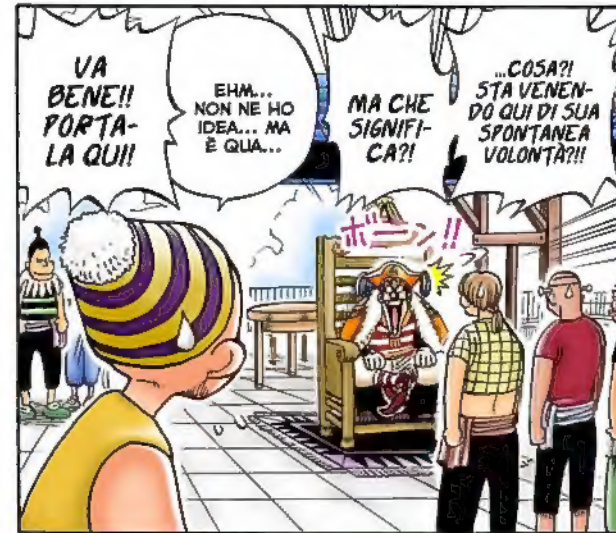

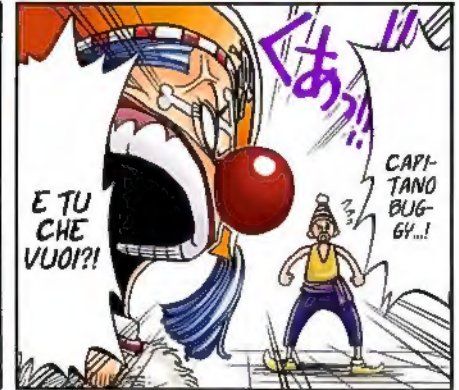

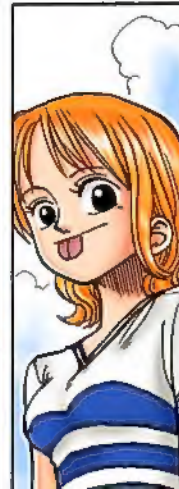

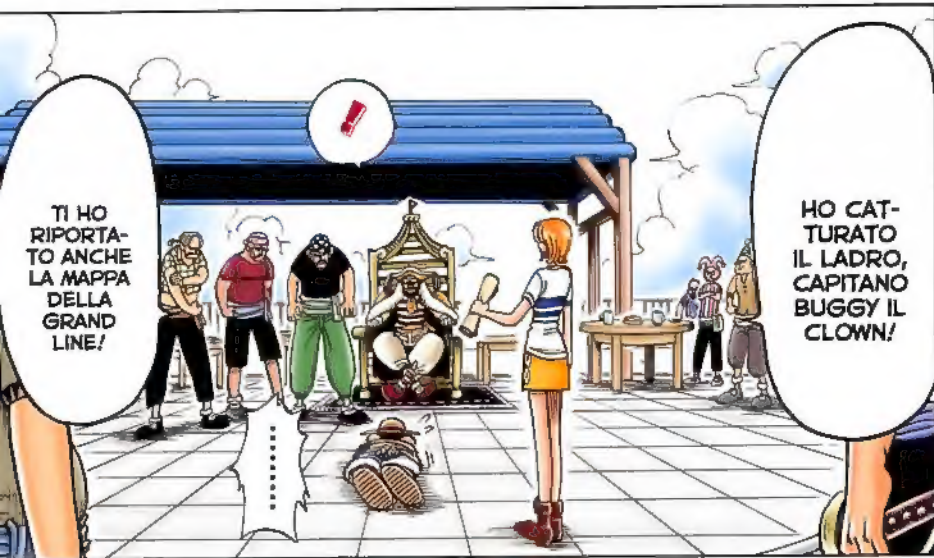

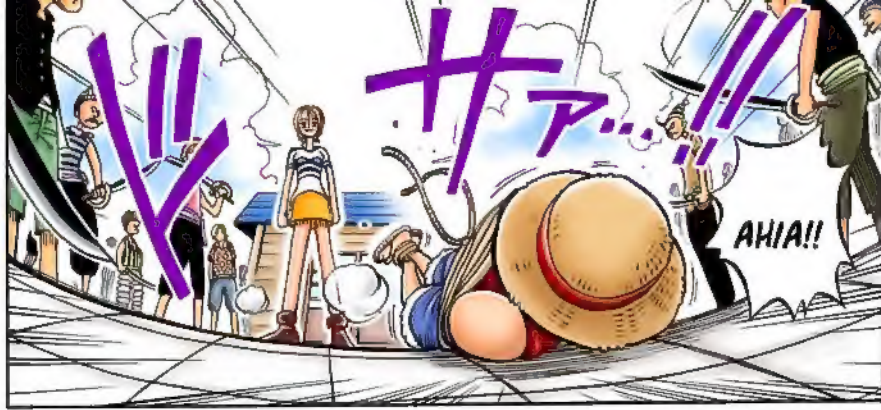

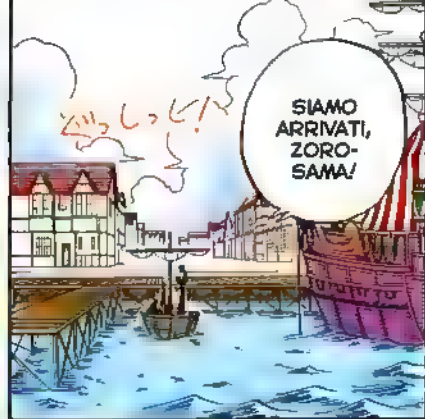

E QUESTO COS'È? UN VILLAGGIO VUOTO?

GIÀ...

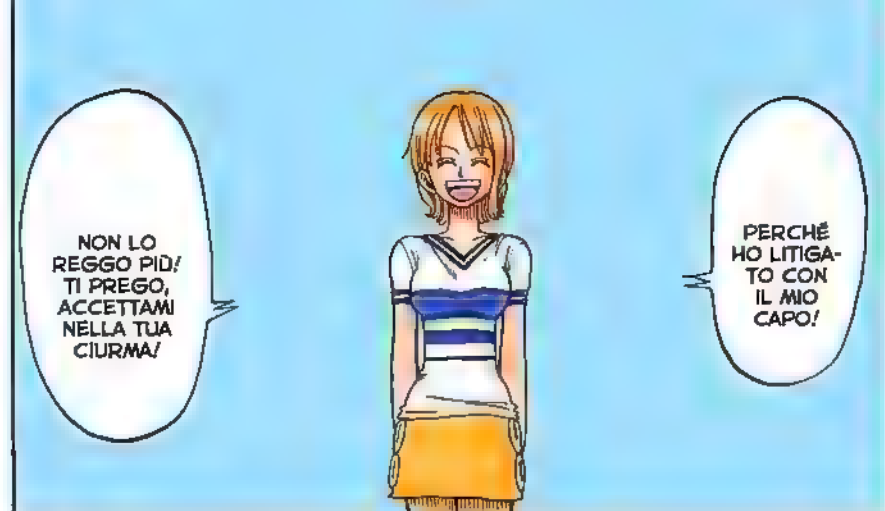

SIAMO TORNATI A MANI VUOTE!

E ORA CHE SI FA? COSA POSSIAMO DIRE AL CAPITANO...?

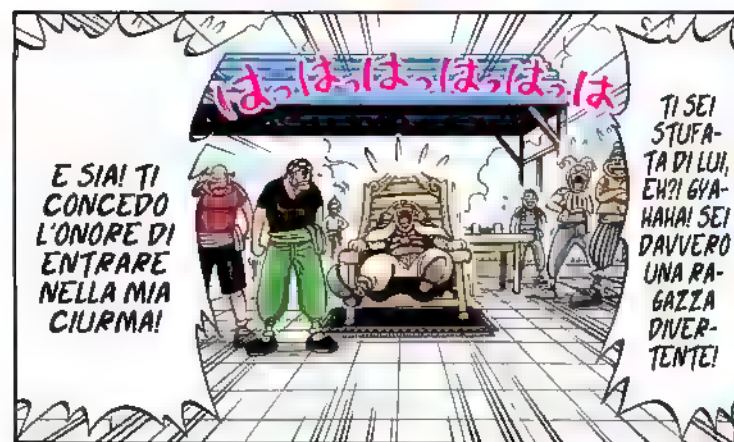

LA VERITÀ È CHE IL NOSTRO CAPITANO BUGGY NE HA PRESO IL PIENO CONTROLLO...!

VICHINGHI

- ✦ In questa storia la parola PIRATA significa per lo più "saccheggiatore del mare". Ma nella storia dell'uomo ci sono stati tanti tipi di pirati a seconda dell'epoca e del luogo in cui navigavano!
- ✦ Voglio raccontarvi dei Vichinghi, la cui storia mi ha sempre affascinato molto.
- ✦ Vissero in Scandinavia più di mille anni fa, le attuali Norvegia, Svezia e Danimarca. Scatenavano veri e propri assalti alle navi che incontravano e venivano chiamati Vichinghi perché loro usavano proprio quella parola per definirsi. Non ho idea di cosa volesse dire... dovremmo chiederlo a loro, magari tornando indietro di mille anni...

VICHINGHI - PARTE 2

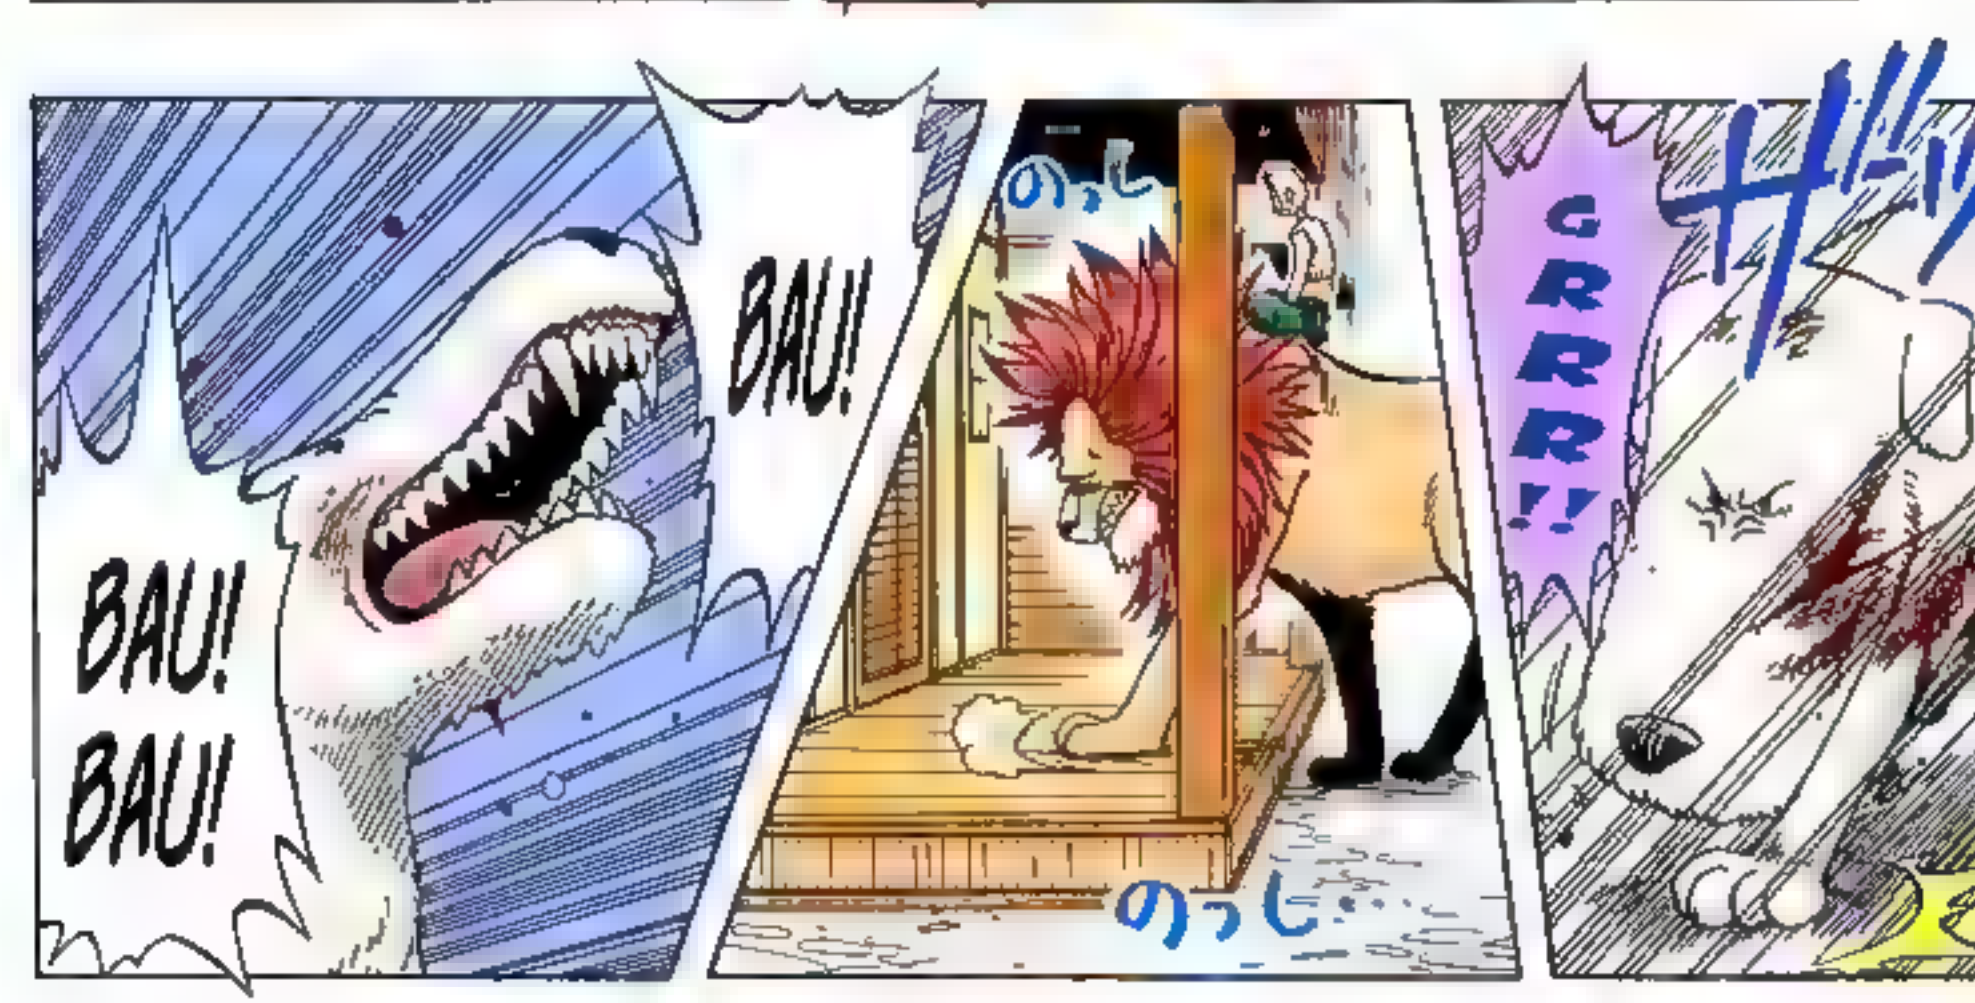

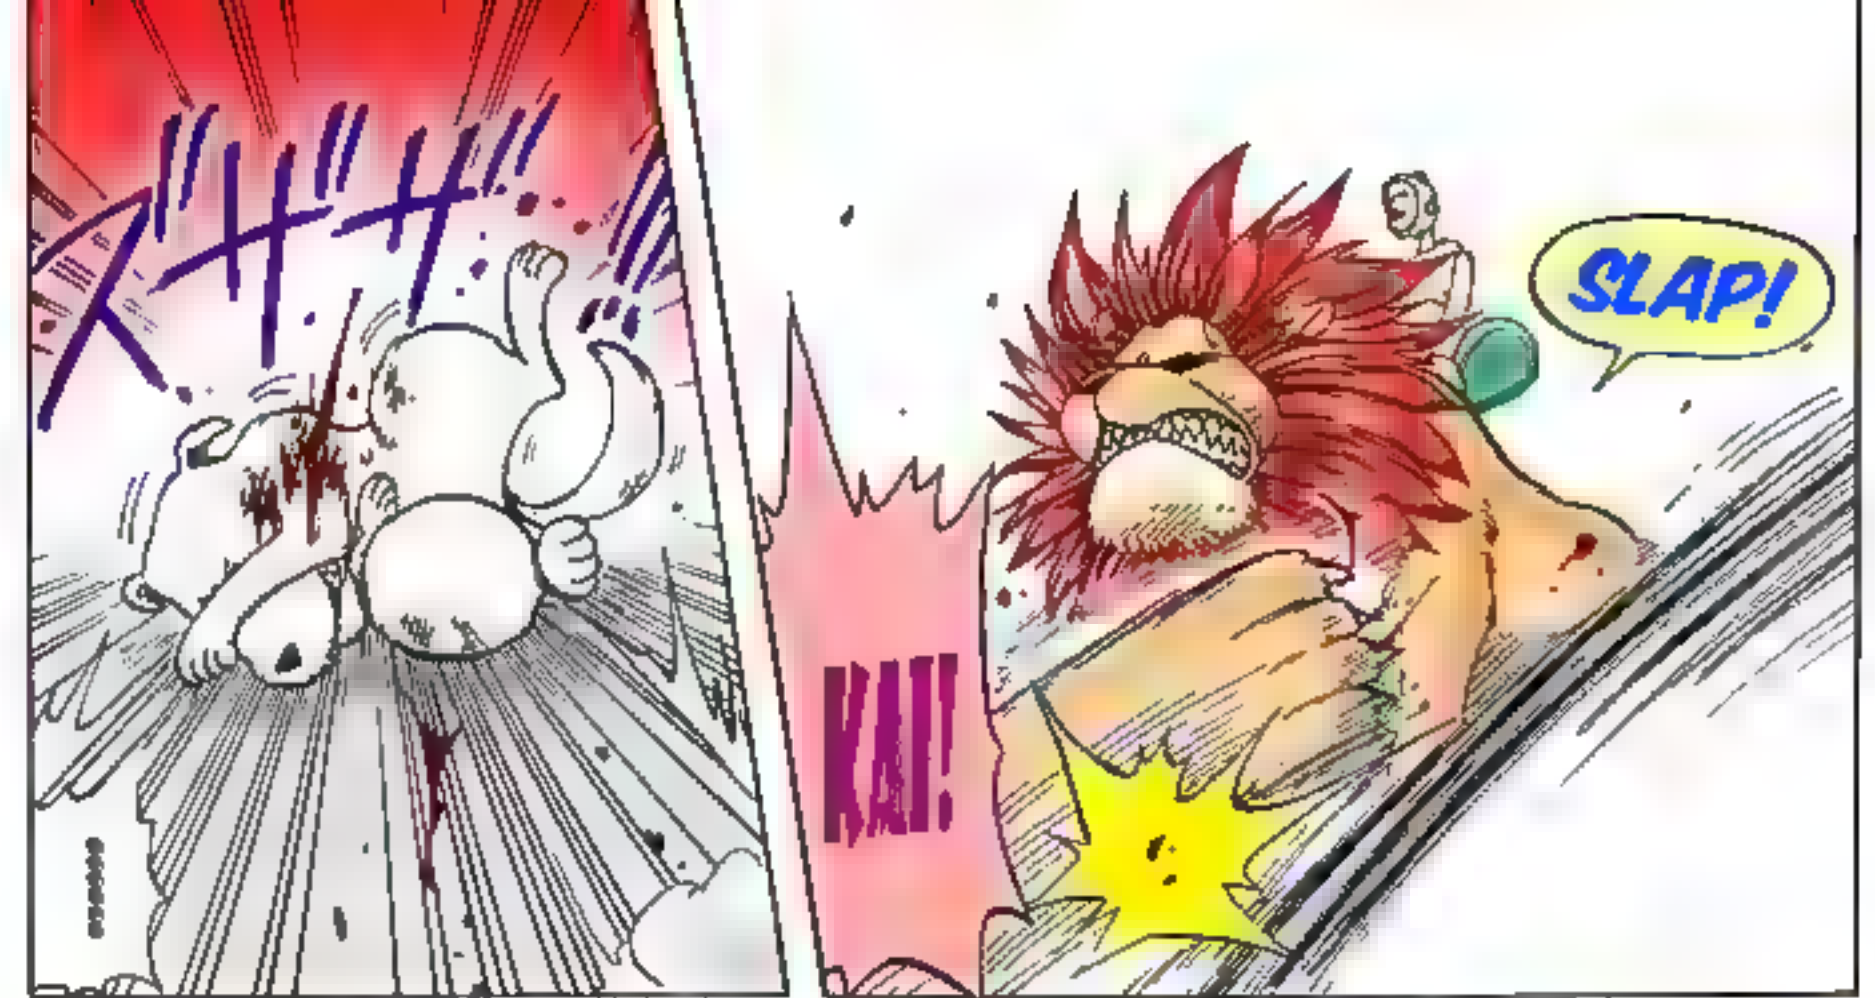

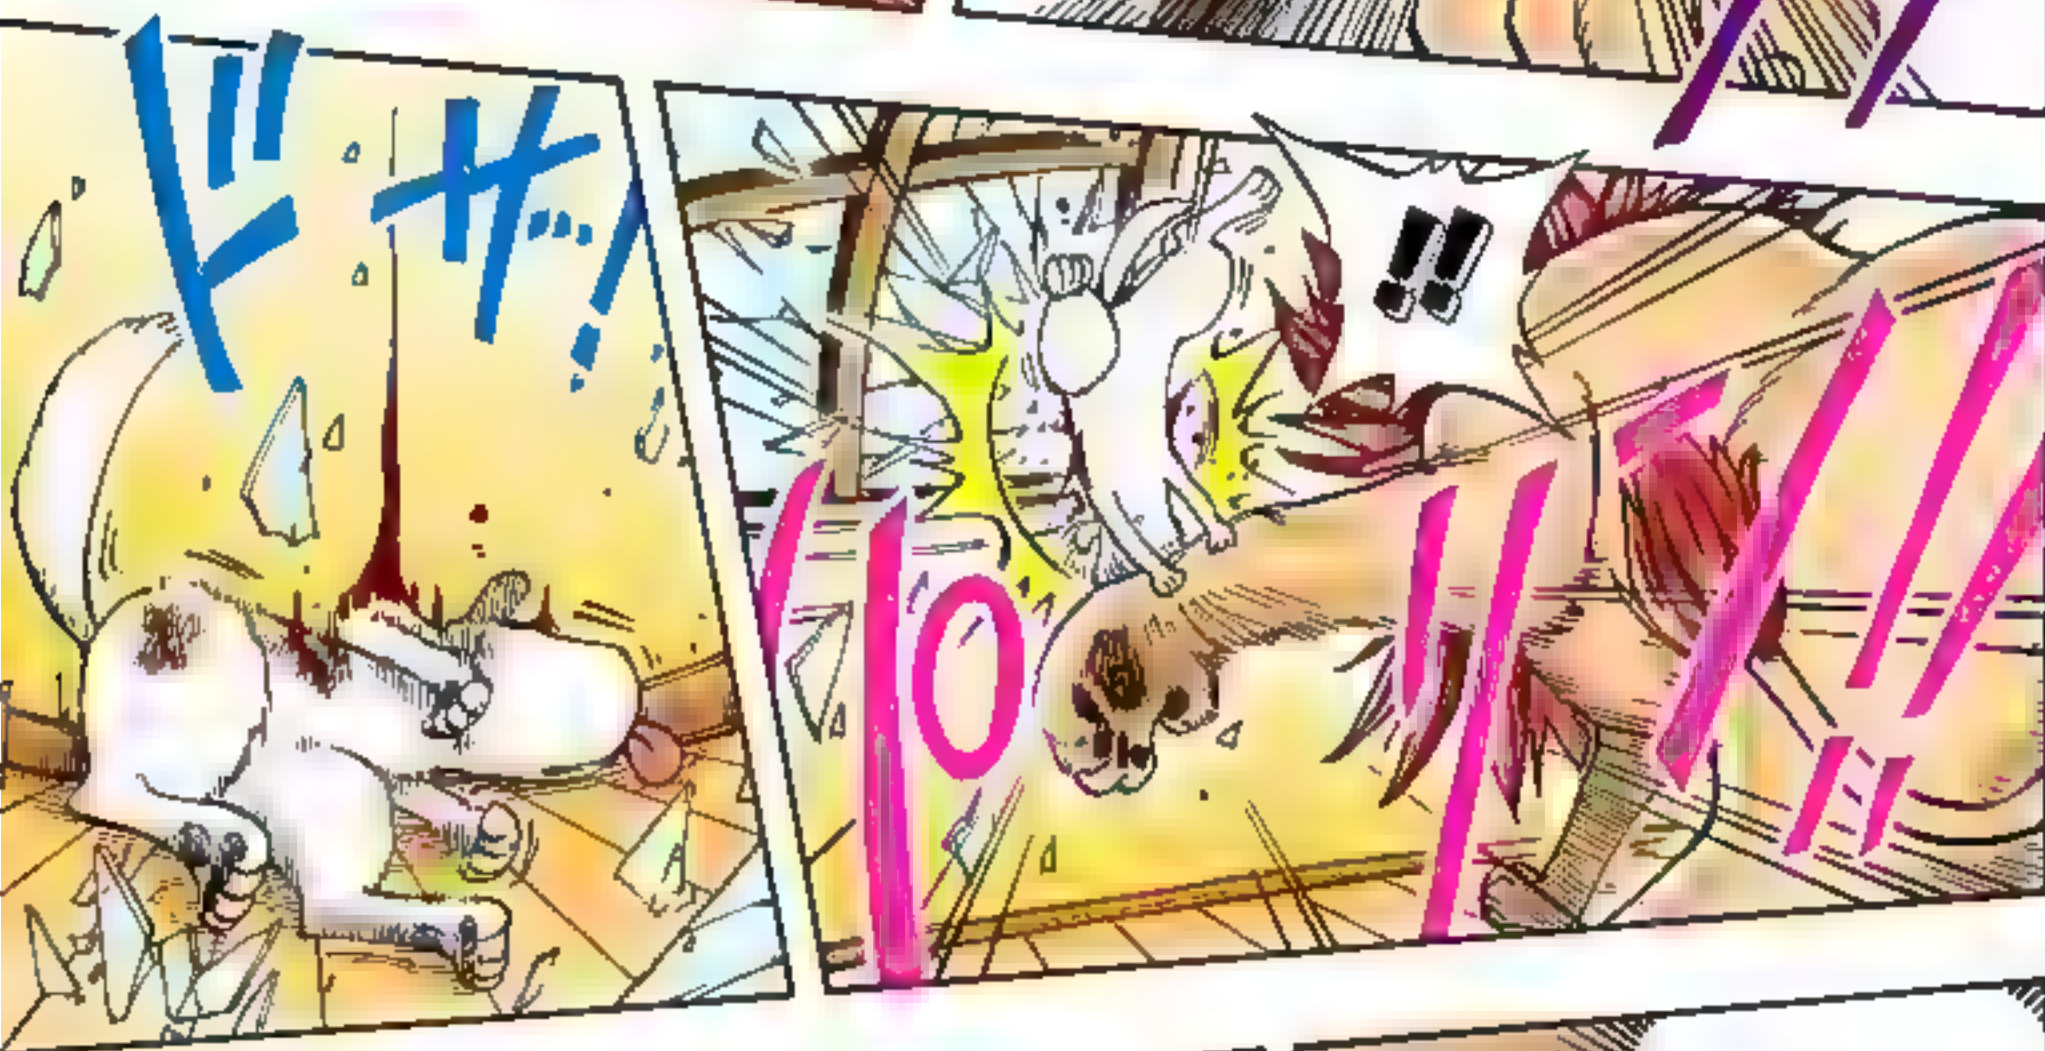

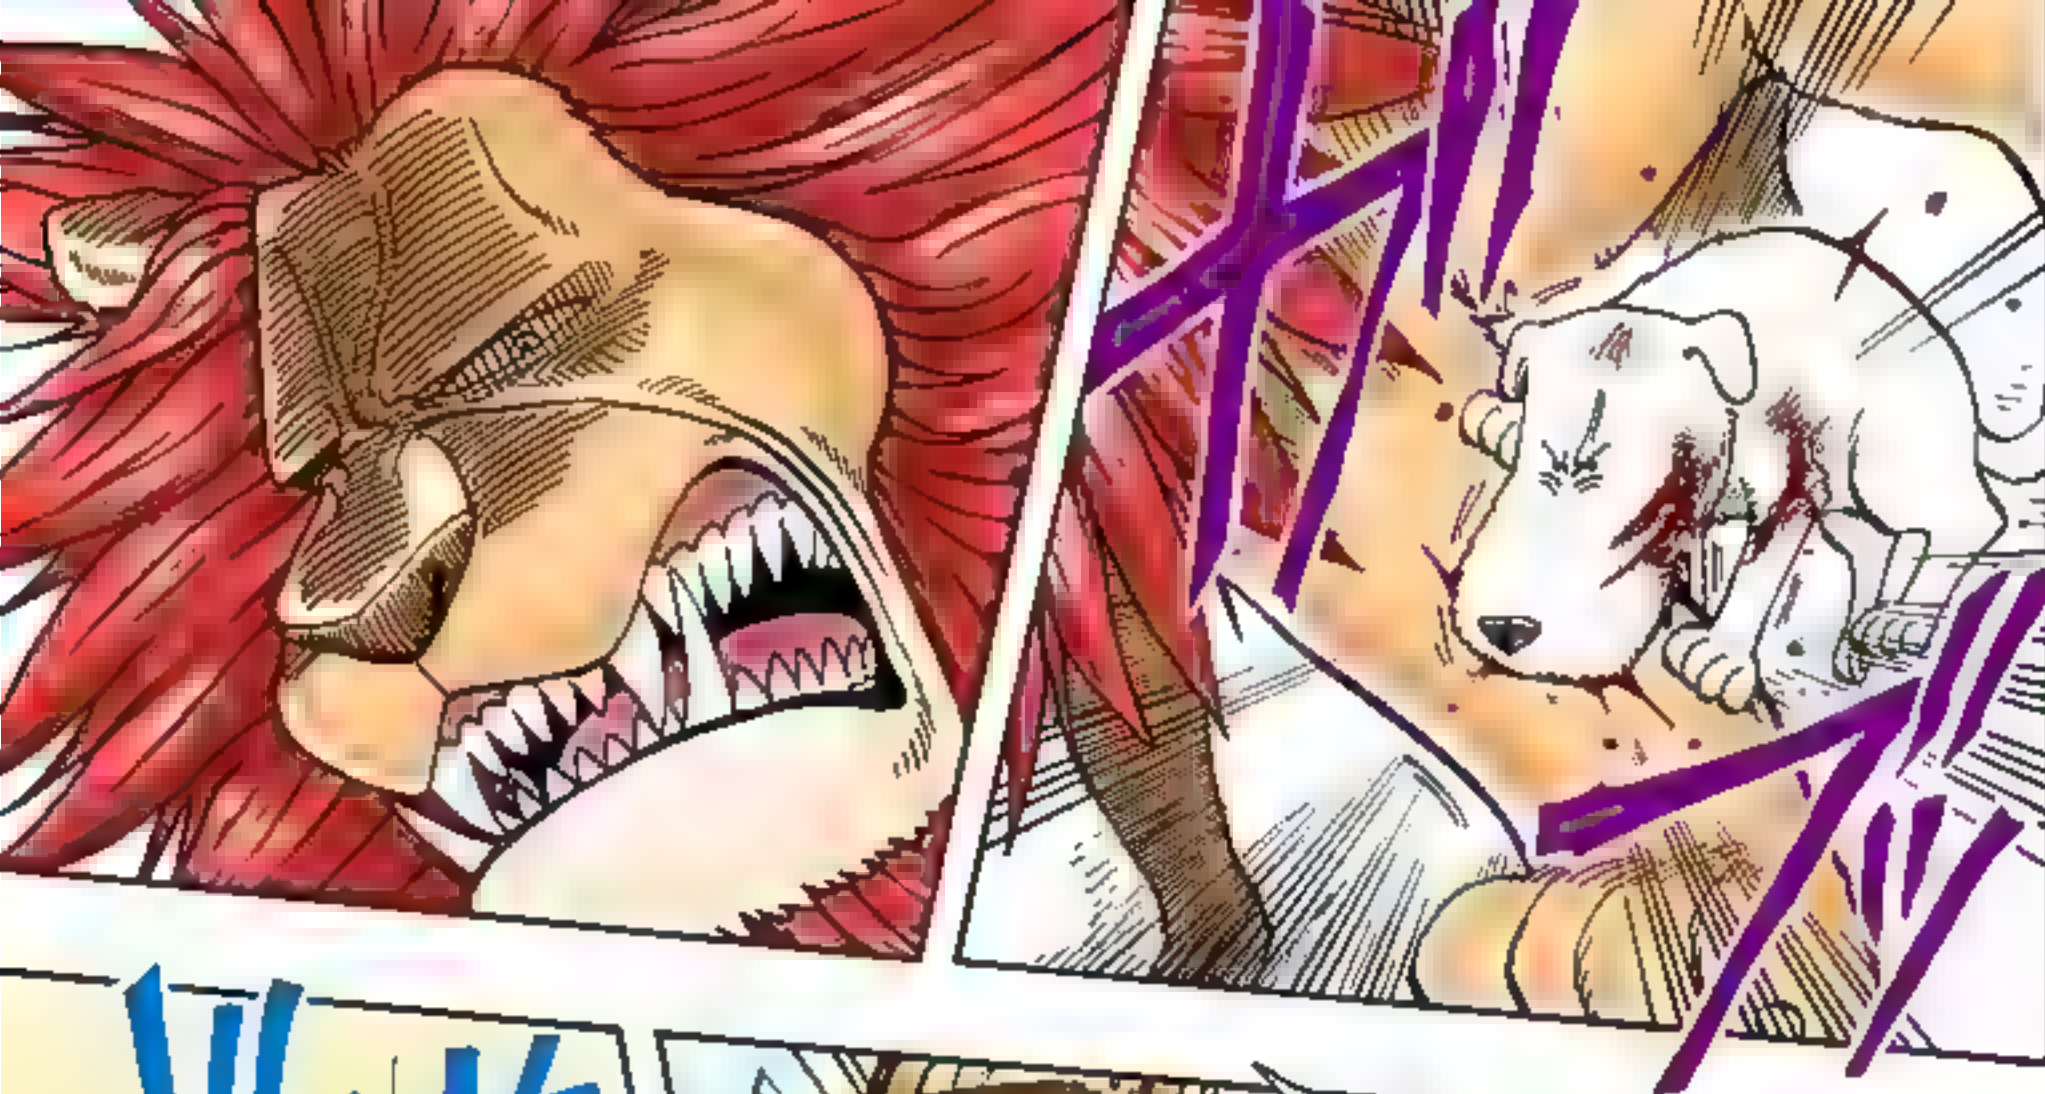

✦ I Vichinghi erano veramente terribili: dalle baie assalivano i villaggi, distruggendo case e imbarcazioni, saccheggiando ogni cosa, uccidendo chiunque senza esitare (comprese le figure religiose) e incendiando tutto quello che rimaneva. Incredibile!

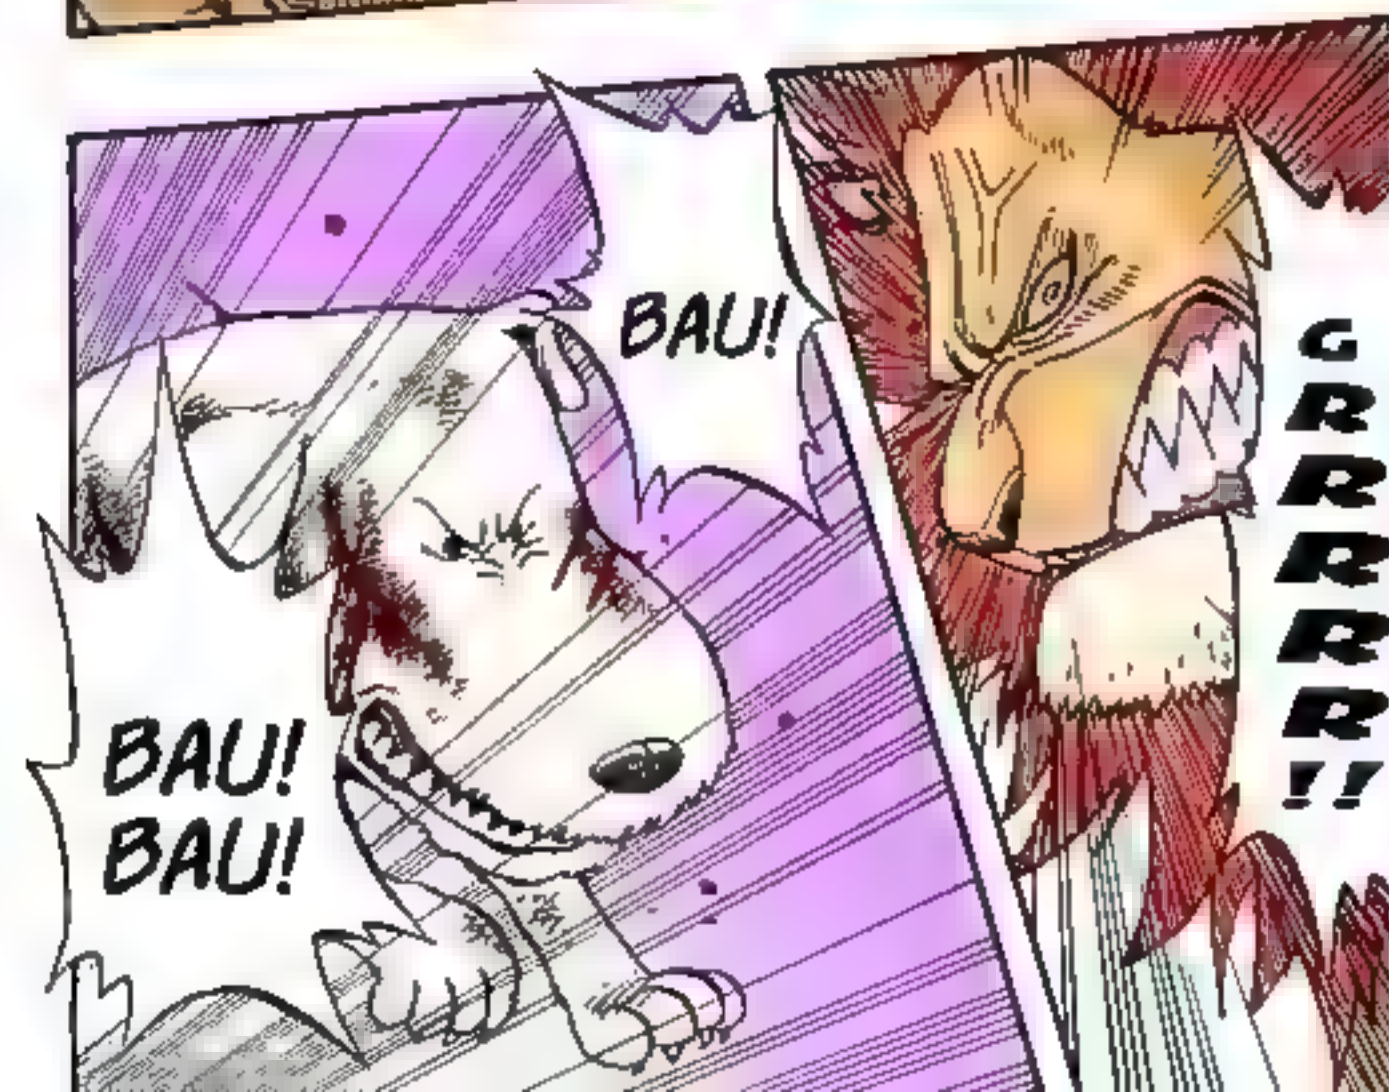

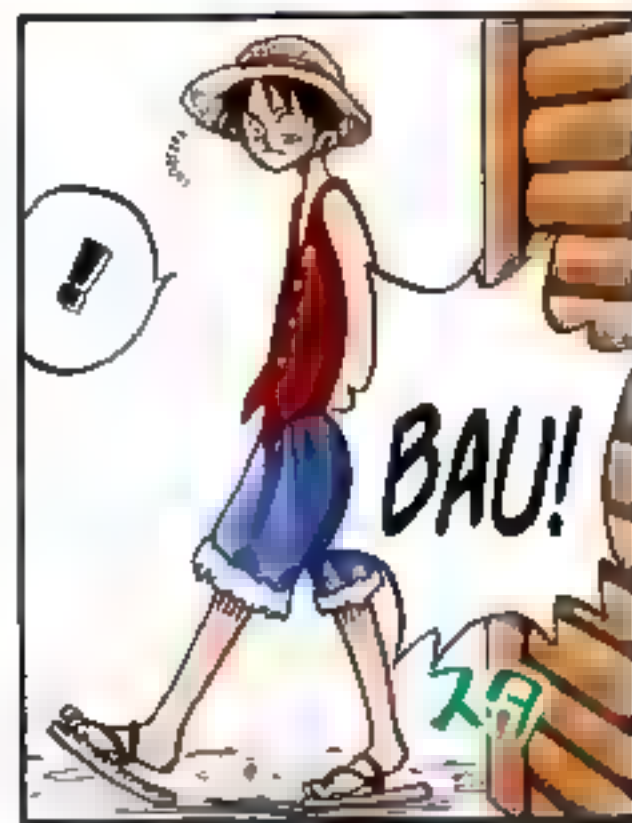

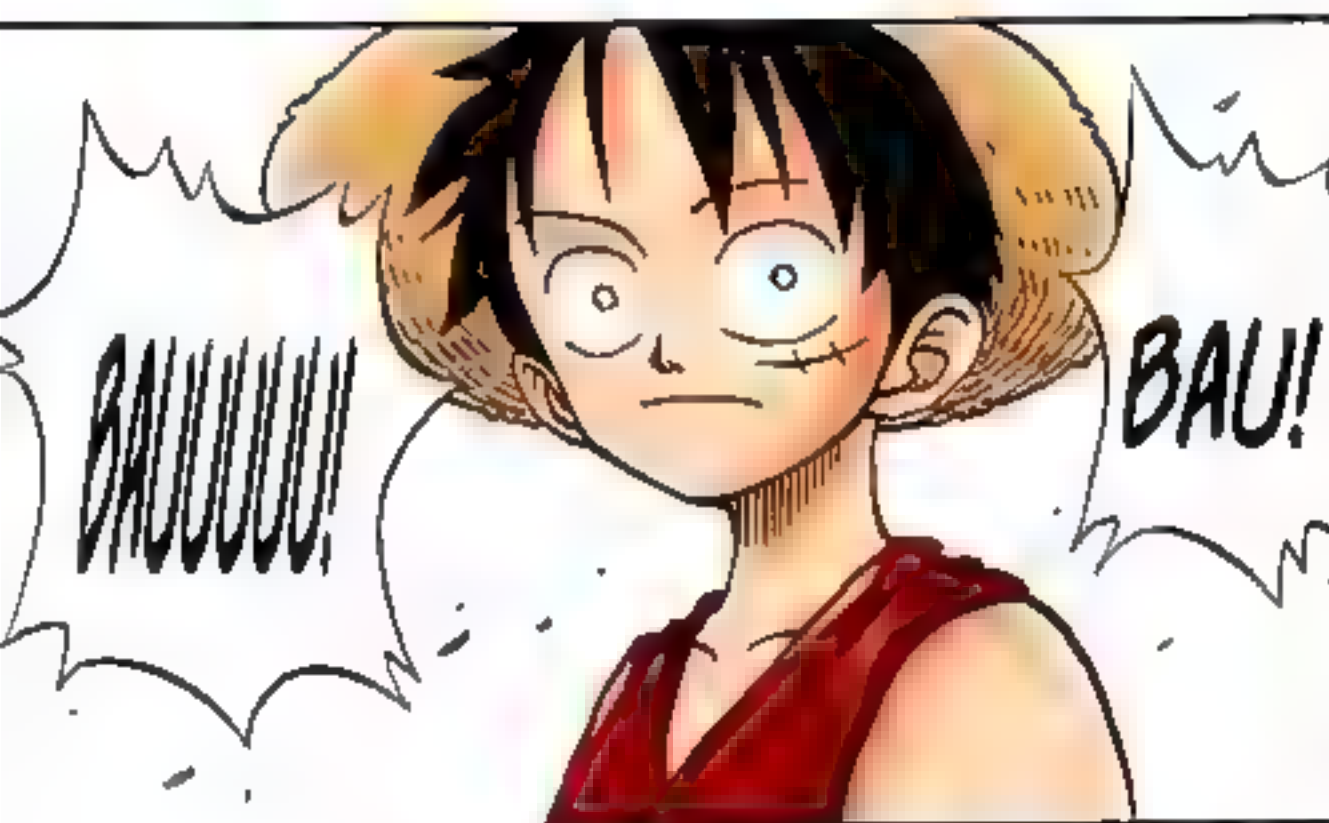

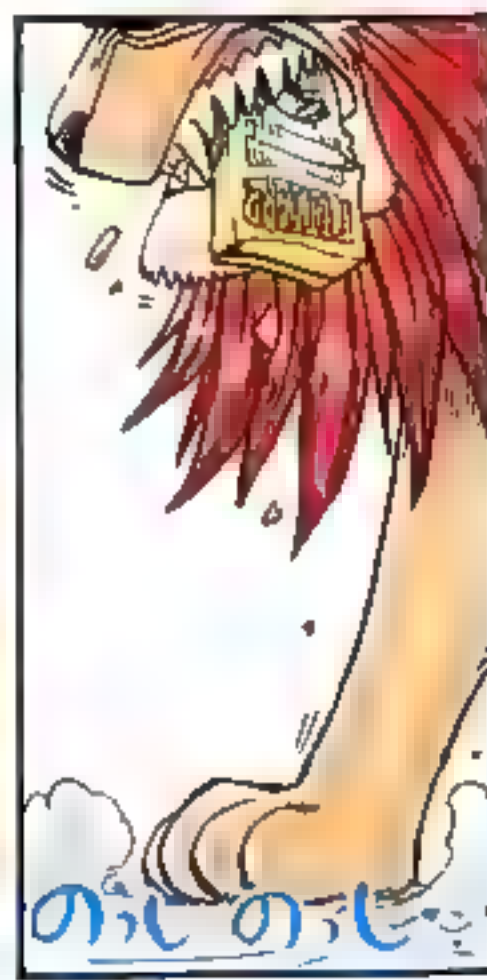

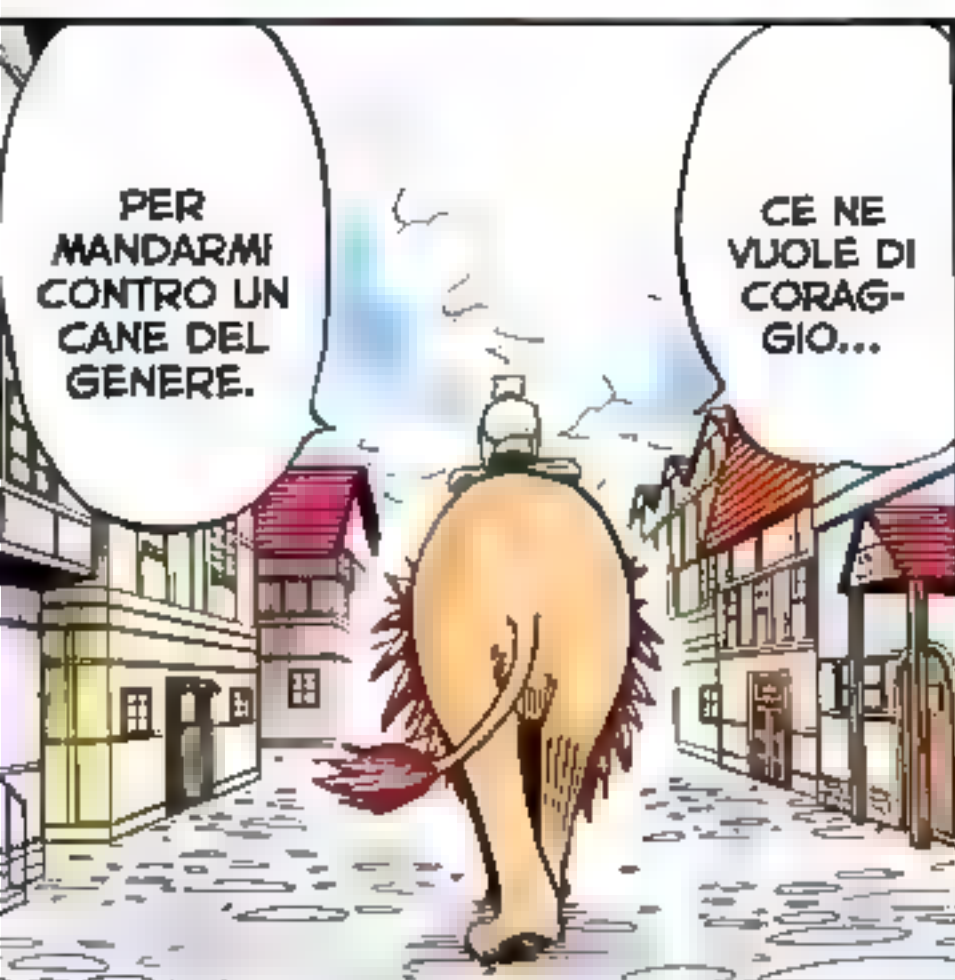

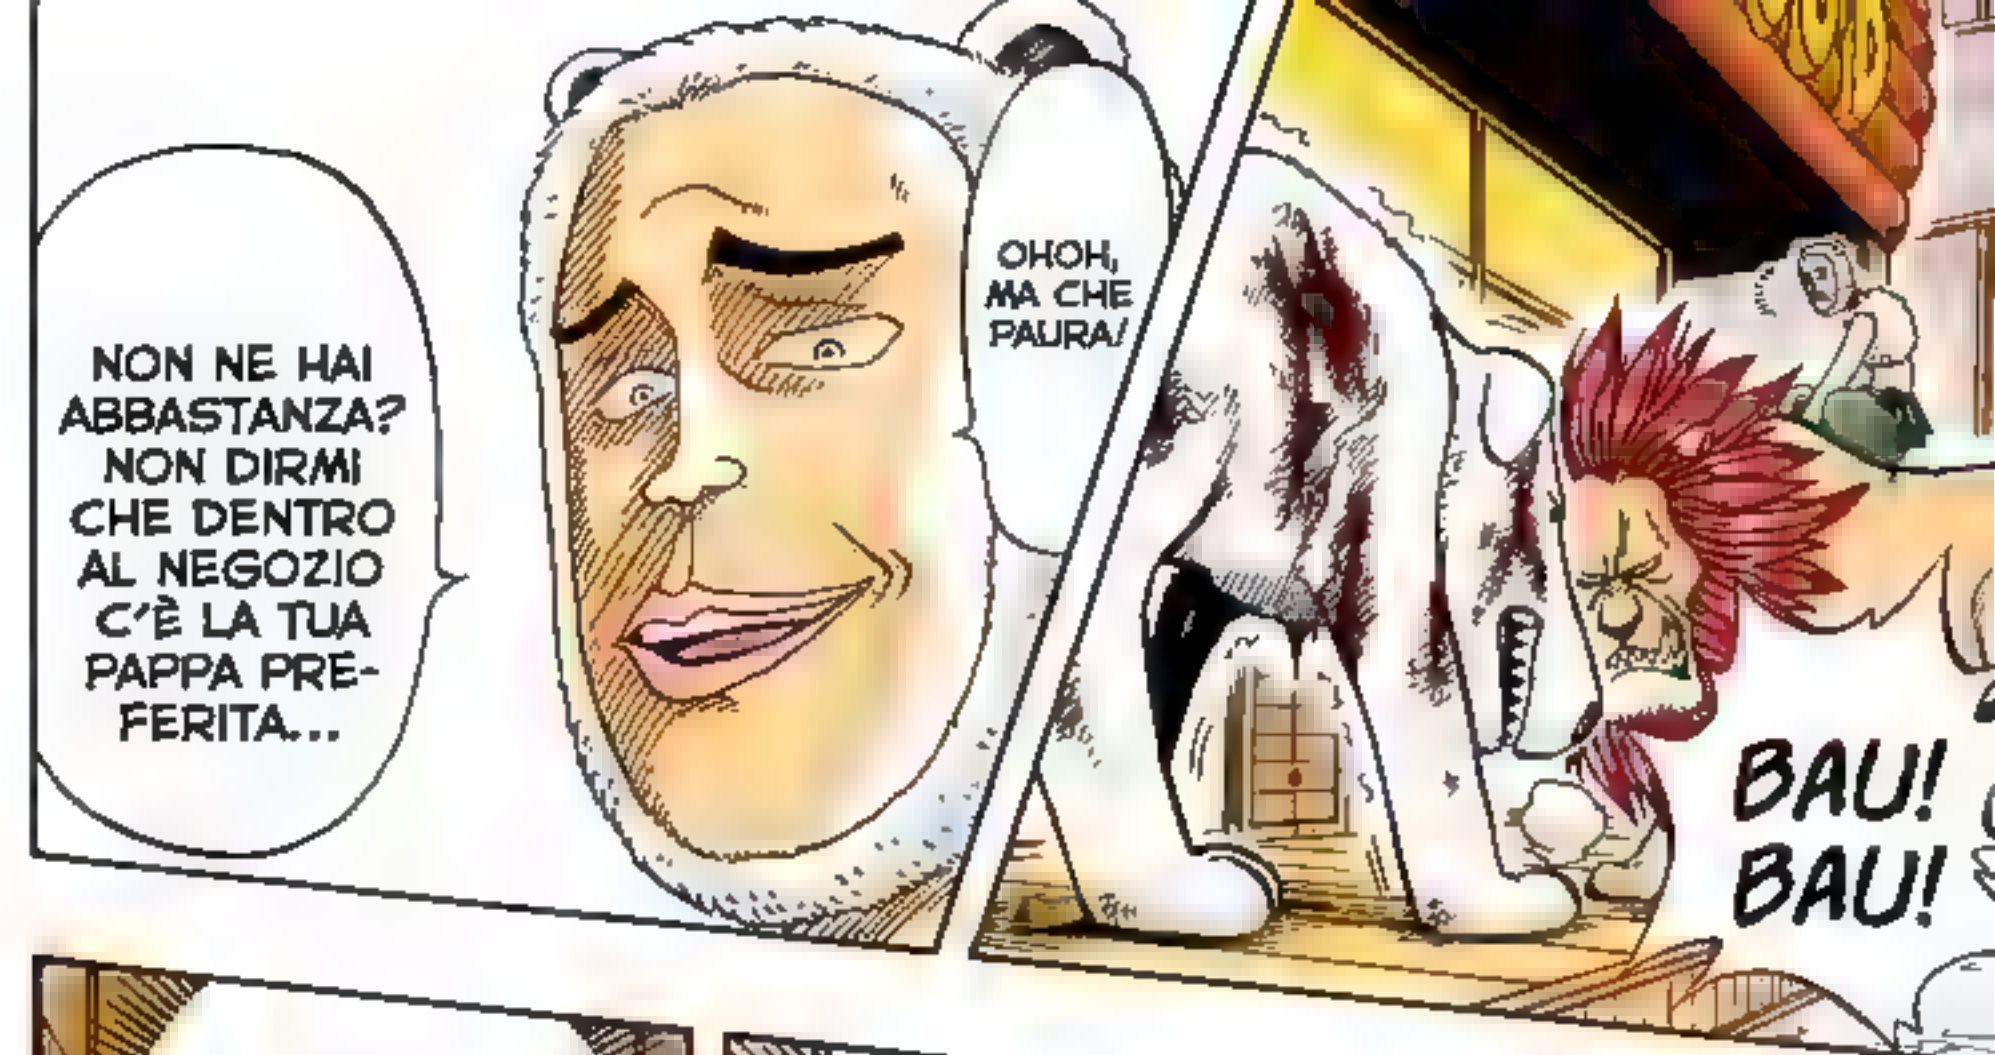

✦ Tuttavia, questo per loro era un lavoro da trasferta. Infatti, portavano tutto ciò che rubavano da luoghi lontani al loro villaggio. Erano guerrieri di professione e per loro trascorrere la vita in battaglia era motivo di grande orgoglio.

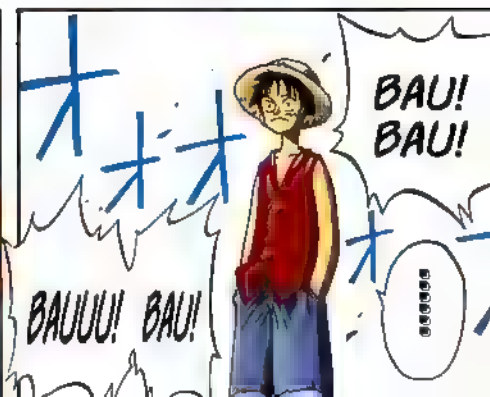

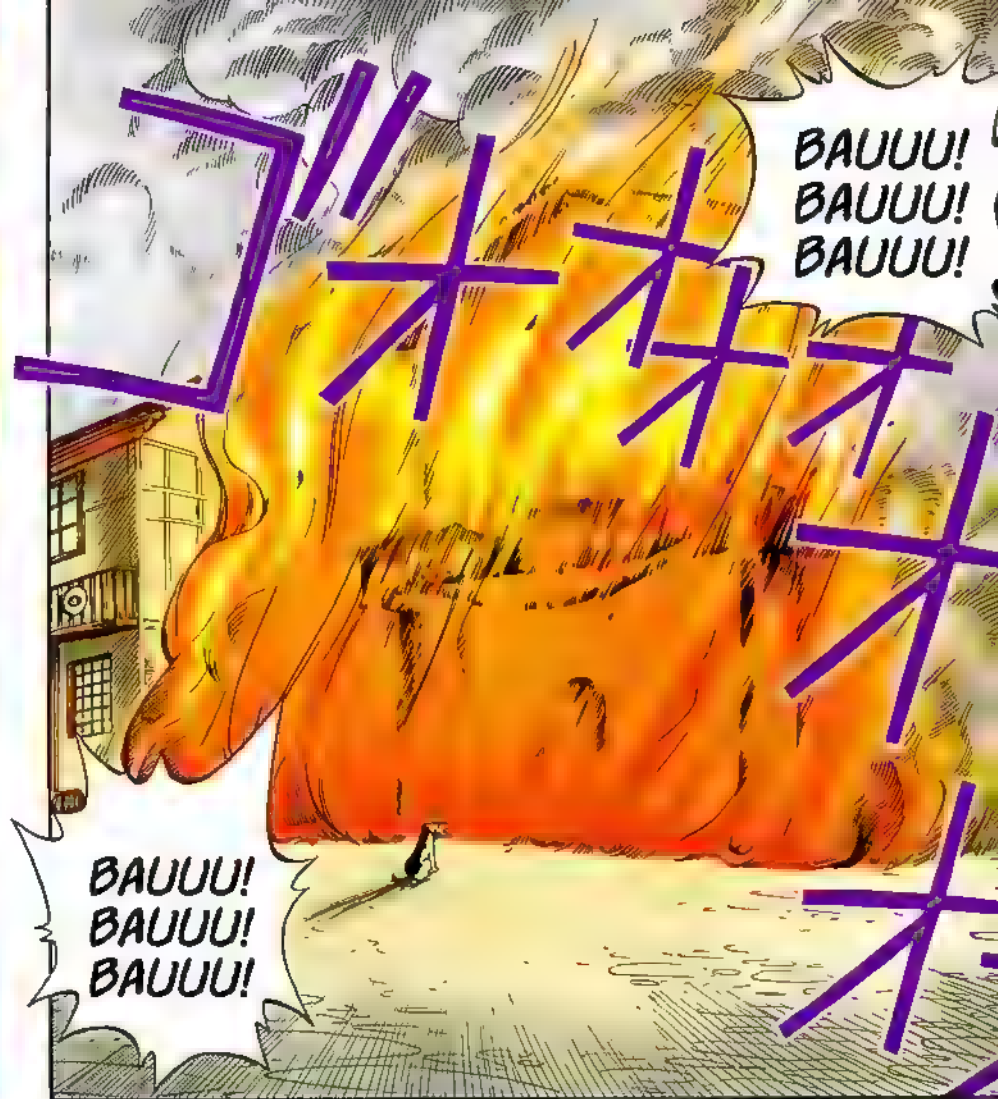

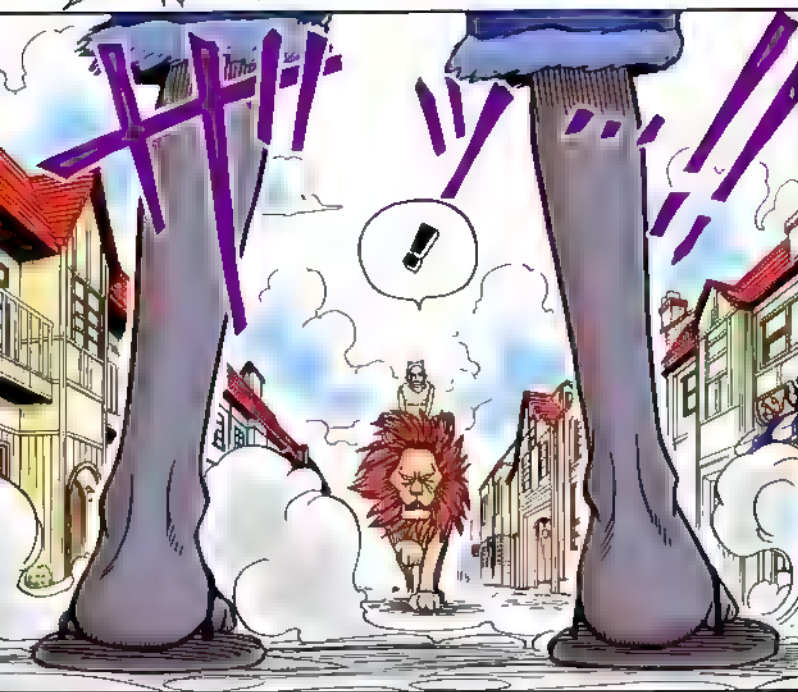

✦ Tecnicamente il termine "Viking" descrive quelli che (ing), nascondendosi nelle insenature (vik), attaccavano le navi nemiche.

VICHINGHI - PARTE 3

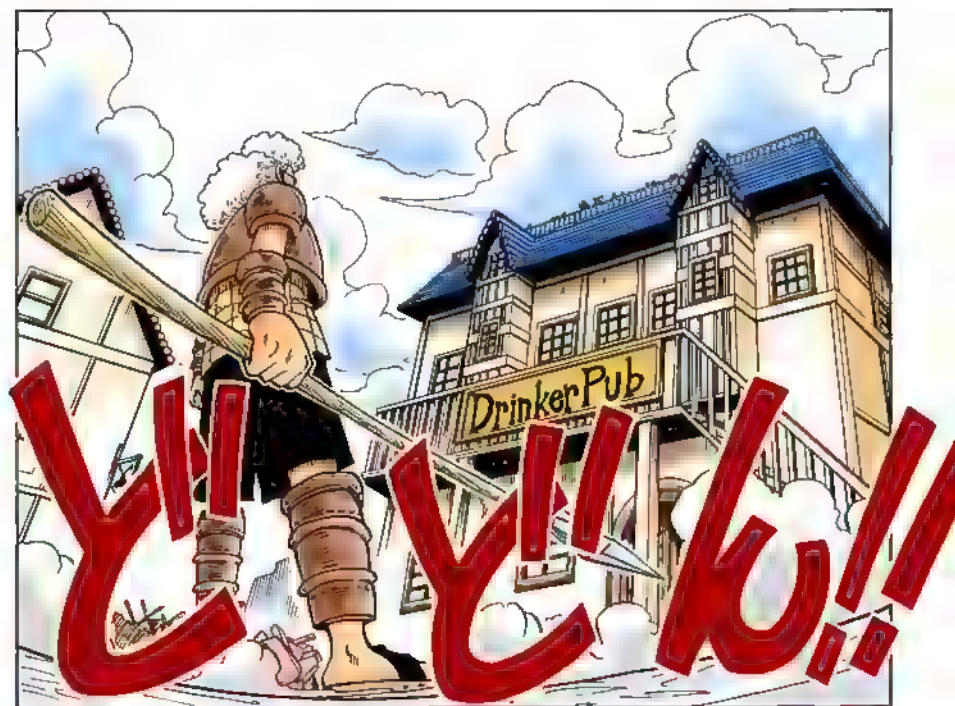

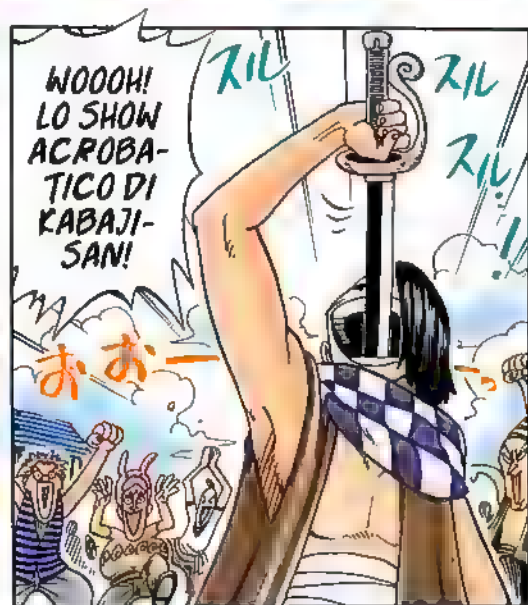

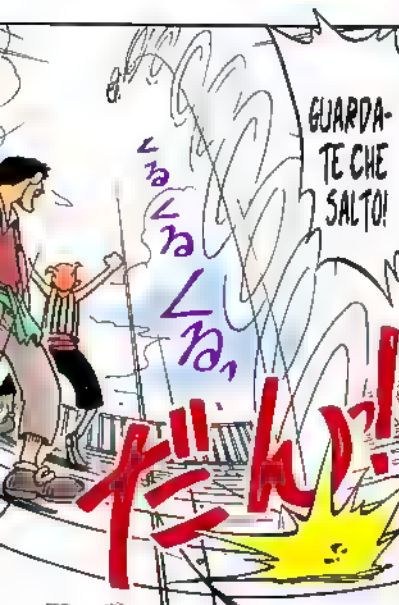

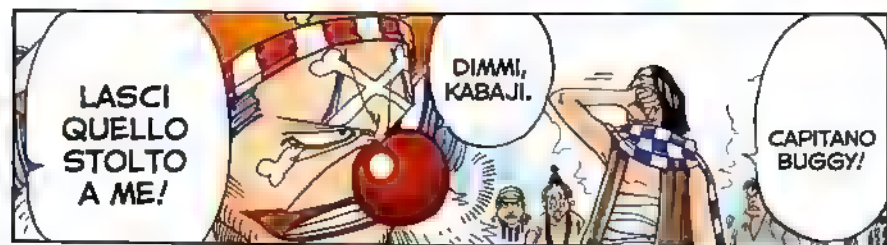

✦ Da bambino guardavo sempre in tv un divertentissimo cartone animato chiamato "Vicky il Vichingo", che raccontava le avventure di un bambino, Vicky appunto, davvero intelligente anche se non molto forte, e della sua ciurma di pirati, tutta gente stupida ma molto forte!

Questo è più o meno tutto quello che riesco a ricordare... d'altronde, lo trasmettevano circa 15 anni fa... comunque quelli della mia generazione (attualmente 23 anni*) dovrebbero ricordaselo! Se mai dovessero ritrasmetterlo, vi consiglio di non perderselo!

☆ Inoltre questa è la ragione per cui ho cominciato ad amare i pirati!
